Job Costing Agenda

TITAN ONLINE

10:00 a.m.-3:00 p.m. (each day)

All times are Eastern Time

In this exciting and enlightening course we will go over in detail Job Cost setup, processes, features, and usage. This will include different ways to efficiently load in phases and cost codes by templates and phase match by structure, product line or product code. We will review different options to record actual cost to the Job through PO, AP invoices, Issues, GJ Journal Entries, Time Clock, and Payroll. We will discuss the AIA/Progress billing process, Visual Estimator setup/usage, Fixed Asset module, and all available reports.
