Download course agenda

Accounting Full Seminar

Feb. 27-29, 2024 (3 consecutive days, Tues.-Thurs., from 10 a.m. to 3:00 p.m. each day)
Format: Webinar style. Instructors take a deep dive into the Accounting module, taking you step- by-step through the most important features.
Class Size: Open to unlimited number of attendees per location
Price: $2000 per location
Download course agenda

Visual Estimator & Above-Ground Products

Dates: March 5-7, 2024 (3 consecutive days, Tues.-Thurs., from 10 a.m. to 2:30 p.m. each day)
Format: In this interactive seminar we will cover the Visual Estimator and discuss the setup required to use this important Titan element. This seminar is critical for those using Titan for estimating, production, dispatch, and QC for above-ground precast concrete products. It is especially beneficial for those who have a foothold in architectural pieces, box culverts, pre-stressed products, wingwalls, etc. We will practice using sample data, but attendees are welcome to use their own data if preferred.
Class Size: Open to nine students only. If more than nine are interested in attending we will schedule an additional session at a later date.
Price: $1,200 per attendee
Download course agenda

Accounts Receivable

March 12-14, 2024 (3 consecutive days, Tues.-Thurs., from 10 a.m. to 3:00 p.m. each day)
Format: Webinar style. Instructors take a deep dive into the Accounts Receivable module, taking you step-by-step through the most important features.
Class Size: Open to unlimited number of attendees
Price: $1,500 per attendee
Download course agenda
